

# Wireless Centerpiece Lighting

## Make Your Centerpieces Pop...

Add that unique “bling” to your event and highlighting your table décor with our new Wireless Centerpiece Lights.

These LED fixtures are strong and sturdy; they can support up to 25 pounds, so they are perfect for large floral arrangements.

The best part is they are water resistant, so don't worry about those table spills or a light drizzle during an outdoor event.

**Right:** *Freedom Centerpiece*

**Above & Right:** Match any decor with this robust base upright made to support large floral arrangements and elevate the elegance of your table settings.
